

## Netflights Cookies

In this section you will find information on what cookies may be set when you visit the Netflights website and how to reject or delete those cookies. If you wish to read our Cookies Policy, this can be found in our [Privacy & Cookies Policy](#).

### How to control and delete cookies

Netflights will not use cookies to collect personally identifiable information about you. However, if you wish to restrict or block the cookies which are set by the Netflights website, or indeed any other website, you can accept or decline cookies at any time by accessing the preference panels from your browser's main menu (usually found under 'Edit', 'Tools' or 'Options'). Or search your browsers help function for "cookies". However, if you choose to remove cookies parts of the site may not work properly or your use of the site may be impaired.

Alternatively, you may wish to visit [www.aboutcookies.org](http://www.aboutcookies.org) which contains comprehensive information on how to do this on a wide variety of browsers. You will also find details on how to delete cookies from your computer as well as more general information about cookies. For information on how to do this on the browser of your mobile phone you will need to refer to your handset manual.

Please be aware that by removing cookies, parts of the site may not work properly or your use of the site may be impaired.

Netflights use a number of suppliers who also set cookies on this website on our behalf in order to deliver the services that they are providing. If you would like more information about the cookies used by these suppliers, as well as information on how to opt-out, please see sections 4 and 5 below.

### List of the main Netflights cookies

This list identifies the main cookies set by the Netflights website, and what each is used for.

Cookie Name	Purpose
TCSBEmailCollectionAttempted	Identifying E-mail newsletter subscribers - Used by the Netflights site in order to identify if a user has previously registered for the site news-letter. If they have, then the e-mail collection modal screen will be displayed after a search. If they haven't then the modal screen will be skipped.
TCSBLastSearch	Stores the last search performed by a user, used to populate the search controls with more relevant information for follow up searches.
UrCapture	Used for user replay capture service, which records some user actions in order to aid in E-commerce analysis.
V2Pages	Tracks the current page path and type on the V2 site
_dc_gtm_UA-845674-13 _ga _gat_UA-845674-13 _gcl_a _gid	Google analytics cookies

_vwo_uuid_v2 cto_lwid iyS iyV leadCache	Website optimiser cookie
ASP.NET_SessionId	A cookie which is used to identify the users session on the server. The session being an area on the server which can be used to store data in between http requests.
GMSession	Main GM Session cookie - Used by the Netflights site in order to identify when you start a new session on our site.
NF.CID	
PHPSESSID	Determines visitor session - Used by Feedburner, which powers the news feed section of the site. Identifies a new or current session.
RecentlyViewedDynamicPackagesCookie	Last 3 recently viewed holiday packages - used to display these packages for quick access.
RecentlyViewedHotelsCookie	Last 3 recently viewed hotels - used to display these packages for quick access.
XUCTX	User context helper - records the context ID of the user's current session. Used when logging events regarding a specific session.
insurancePrevSelected	Cookie that tracks a customer's previous insurance choice. Used if the customer returns to the basket.
searchID	ID of last search performed
TCSBLeadPassengerEmailAddress	Records lead passenger email address for use if basket is abandoned due to any reason.

### **Cookies set by Third Party sites**

We sometimes embed photos and video content from websites such as YouTube and Flickr. As a result, when you visit a page with content embedded from, for example, YouTube or Flickr, you may be presented with cookies from these websites. Netflights does not control the dissemination of these cookies. You should check the relevant third party website for more information about these.

### **Netflights Sharing Tools**

We would like to draw your attention to the fact that the Netflights website now carries embedded 'share' buttons to enable users of the site to easily share articles with their friends through a number of popular social networks. These sites may set a cookie when you are also logged in to their service. Netflights does not control the dissemination of these cookies and you should check the relevant third party website for more information about these.
